

City Camp Volunteer

PLAY | ENGAGE | ENERGIZE | MAKE A DIFFERENCE

The City Camp Volunteer position is for volunteers who are 16+ years of age or older and have a passion for facilitating programs for children and youth. Through this role, volunteers will lead participants through different activities, learning opportunities, and explore new passions, which will build essential connections & relationships in a day camp setting. Our volunteers assist day camp staff with all aspects of the daily routine, including supervising the campers and helping to run activities. The idea of crafting it up in the art room in the morning, jumping into a scavenger hunt after lunch, and then ending with a campfire excites you. You are a fun-loving person who wants to bring the magic to camp for everyone there.
