

ACTIVITY LEADER VOLUNTEER SPRING BREAK CITY CAMP

About us:

West Coast Kids Cancer Foundation (WCK) exists to deliver timely, practical support to BC families navigating childhood cancer and blood disorders during and beyond treatment. We do this through our varying connections, food, and mental health programming.

About City Camp:

City Camp is the only day camp in B.C. where kids aged 5-12 and siblings of kids with cancer and blood disorders can join in on all the magic of camp while being able to sleep in their own bed at night. Hosted in close proximity to the hospital and with a medical team on-site, kids on treatment never have to miss out on the camp experience.

About you:

You are a fun-loving person who leads with confidence and kindness. You're able to adapt quickly and tackle challenges with creativity and courage. You'd enjoy working with a team to facilitate specialized programs for kids with complex needs and diverse abilities. You can jump from facilitating a game of charades in the gym, being a glue gun master in the craft room, to reading quietly in the library. You are organized, reliable, and resourceful. You show empathy and compassion wherever you go.
