

FOOD CREW VOLUNTEER SPRING BREAK CITY CAMP

About us:

West Coast Kids Cancer Foundation (WCK) exists to deliver timely, practical support to BC families navigating childhood cancer and blood disorders during and beyond treatment. We do this through our varying connections, food, and mental health programming.

About City Camp:

City Camp is the only day camp in B.C. where kids aged 5-12 and siblings of kids with cancer and blood disorders can join in on all the magic of camp while being able to sleep in their own bed at night. Hosted in close proximity to the hospital and with a medical team on-site, kids on treatment never have to miss out on the camp experience.

About you:

You appreciate how food can provide comfort and connect people. You can be playful and welcoming when serving camp snacks. You are able to go with the flow and adapt quickly to ever-changing situations. You work just as well independently as you do in a team, and you know how to balance having fun with getting the job done. You're organized, reliable, and resourceful. If you'd like to provide hands-on food support for kids, you could be our next City Camp Food Crew volunteer!
